

Day 27 Exit Slip

Geometry Summer Credit | Capstone Reflection

Name:	Date:	Score:
-------	-------	--------

Directions

Use this to record your capstone status and what you need before the final day.

1.	What is your capstone modeling question?
2.	What calculation or formula is most important in your project?
3.	What is one limitation or assumption in your model?
4.	What do you need to finish or improve before final submission/presentation?
