Geometry Summer Credit | Course Reflection

Name:	Date:	Score:
-------	-------	--------

Directions

This is your final reflection after the written final.

1.	What Geometry skill improved the most for you during this course?
2.	What is one skill you want to keep practicing before Algebra 2 or Trigonometry?
3.	What helped you learn best in this class?
4.	Write one specific thing you are proud of from this summer Geometry course.
